

# U3A Network South East Greater London

**Behind the Scenes Tour at Coolings Garden Centre on  
Wednesday 24th of April 2019 from 10.30 -12.30 Cost £16**

*Network U3A members at the 2018 event*

Last year's event at Coolings was well supported so we have decided to run another one this year. Instead of planting a herb basket this year we will concentrate on summer flowers. We have decided not to repeat the talk but instead concentrate more on the tour and practical demonstration/workshop.

There will be a behind the scenes conducted tour followed by a workshop on how to get the best results from hanging flower baskets. This will be followed by an opportunity to plant your own 14" hanging basket to take home and subsequently enter into the best basket competition. Following the success of last year's competition Coolings have agreed to increase the value of the prizes. There will be a £20 voucher for the winner and £10 vouchers for the two runners up. Entry will be by sending in a photograph of your basket by 1st June – full details available on the day.

The cost is £16 which includes the tour and the planted basket that you can take away. Refreshments are not provided but there is a good café for either morning coffee or lunch. Last year this event quickly filled up and as the event has a limited capacity please book your places as soon as possible by sending an e mail to [ange.brown51@gmail.com](mailto:ange.brown51@gmail.com). Your place will then be confirmed and you will be directed to the payment method. Coolings have two nurseries and this event is at the one in Rushmore Hill, Knockholt TH14 7NN. There is ample parking but no easy public transport so offering lifts might be a good idea.

The 2018 prize winning herb basket grown by Gertrude Lay, South East London U3A
