

**Invite you to join us in
Celebrating the Capital's Industrial Heritage**

A Study Day on Fri Oct 4th, 2019 at the
London Metropolitan Archives in Farringdon

This event will concentrate on the Industrial Archaeology of London. As you might imagine this is an enormous subject, but we think we have managed to put together a programme that will appeal to members of both organisations. The detailed Programme is overleaf. Subjects covered will include, Manufacturing South of the Thames, Changing Docklands, Earls Court – London's Lost Exhibition Centre, South Eastern Railways and

Industrial Archaeology: Past, Present, Future?

Registration will open from 10 am for a conference start at 10:50 and we anticipate closing soon after 4pm. The cost will be £25 which will include refreshments on arrival and lunch.

At the end of the day we are arranging a visit for some delegates to the Kirkaldy Testing Works. Details of this visit will be forwarded to delegates once they have booked for the main event this will be a first come first served basis.

We have reduced the capacity of the venue this year to give delegates a little more elbow room and we therefore know that tickets will soon sell so if you are interested in attending book early. There is a priority booking period for the next 14 days for Network and GLIAS members, after that bookings will be opened to other U3A members in the London Region.

Booking for this event are being handled by Eventbrite on our behalf, so to book please go to <https://www.eventbrite.co.uk/e/celebrating-the-capitals-industrial-heritage-a-study-day-tickets-65250994481>

This event is also on our website at <https://u3asites.org.uk/glondonsenetwork/home>

If you need more information that is not available on the Eventbrite page please contact us by Email - U3Aglsonetwork@gmail.com
