

To all Chairs and Secretaries

Hello all.

Every u3a in Scotland is invited to our Spring Event. The programme is attached.

Please ensure that it is brought to the attention of every member of your u3a, not just the office bearers or committee.

Because many members are still reluctant to meet indoors in large crowds, we are holding the meeting by Zoom and we are restricting participants to **three** from any individual u3a, but we may be able to open it up, depending on the numbers

If you want to attend you just need to email the secretary at the email address at the bottom of the page, with your name, the name of your u3a and the email address you wish the link sent to. If two people are using the same device, they do not both need to register but, please, do not pass the link on to anyone who hasn't registered.

The deadline date for registering is the 13th March at noon, and the Zoom invitation will also be sent out on this date.

If there is anyone who would like to attend but is unsure how to use Zoom, please, contact, u3ascotlandchairperson@gmail.com. It is possible to join by telephone without an internet connection.

Secretary, u3a in Scotland.
