

## **Winner of 4 Olivier awards including best new musical**

**'Come From Away' is based upon a remarkable, true story which has taken the West End by storm as well as continuing sold-out, record breaking engagements on Broadway, across America and in Canada.**

**This joyous new musical shares the incredible real-life story of the 7000 air passengers from all over the world who were grounded in Canada during the wake of 9/11, and the small Newfoundland community that invited *these 'come from aways'* into their lives.**

How will they cope with all those people? They now have almost twice as many residents as the day before! Passengers come from all over the world, speak different languages, eat different foods and that is before we find out about the cargo!

Pat Jones of Dunmow U3A writes:

*All the cast play many different characters and switch effortlessly between accents. The musical is very funny, a little sad, not to mention romantic. It also has great music. I loved the show and it received a standing ovation.*

Diana Aylott, Chess Valley U3A:

*I enjoyed this show tremendously. The music was wonderful, but my favourite thing about "Come from Away" was the pace of the show. I felt I could not blink in case I missed something, and the non-stop action carried on all the way through to the end.*

**We have obtained 30 tickets at a huge discount and can offer Dunmow U3A members the opportunity for a great day at the theatre, Wednesday 9<sup>th</sup> October, for just £55 each.**

**The coach will leave Don's at 9.30 with pickups at Fritch House 9.35 and Takeley 9.45. This will provide ample time for a leisurely lunch before curtains up at 2.30. We aim to arrive back in Dunmow before 7 pm.**
