

Please could you assist with any of these?

Ealing u3a is what its members make it – how can you help?

u3a learn, laugh, live

We welcome more members to volunteer to help run all our activities please contact any committee member for more information.

Marketing/Facebook Skills?

The committee would welcome a few members who have some marketing or publicity knowledge and skills to help with promotional activities, including setting up a public facebook

page. Please offer to Patricia, Secretary, via the Contacts page

Contacts for all these requests are on the Ealing u3a website, please click [CONTACTS](#) to access the website and send a message to the relevant person.

Committee members

We need a dozen members each year to be on our Committee. It's good to have new people, and our Constitution says our Officers: Chair, Treasurer and Secretary must change at three year intervals. It a good and positive Committee to be on, and the organisation is financially stable. For March 2024 we need a new Secretary. If you'd like to help in this way, please get in touch with Derek, Vice Chair, or any Committee member.

Members at a publicity stand

Helping in your interest group/s

Have you joined a group or two yet? Once settled in to a group please help by taking a turn with something when your Group Convenor asks. Many groups are set up on the U3A principle that members take a turn, about once a year, to introduce a topic, lead an activity or organise an outing. Please respond when asked.

Thursday morning talks—help needed

Chairs — Speakers — IT — video editing ?

There are several opportunities to help with Thursday morning talks, on a monthly rota or in the planning.

Putting out chairs—offer to Jean in the hall.

Recommending speakers, or offering to speak yourself—contact Patricia Plummer, Speaker Organiser

Joining the IT/AV team, or editing the videos of the talks — contact Phil, webmaster

Thank you for considering our requests, please get in touch soon if you could help with any of these, or want more information. Use email links on the Contacts page or chat to any committee member in person.

It's easy to start a new interest group.

You don't to do it alone.

Perhaps you've thought 'Why isn't there a xxxx Group' or 'I've been on this waiting list a while'. There is no limit to the number of groups we can have, or the subjects they can cover.

Sue Peach, Groups Coordinator will support you. Get in touch with her via the Contacts page.
