The personal data provided will also be used to communicate with members regarding the activities of that U3A and to keep members informed regarding any groups or activities that they undertake with that U3A. Member information is shared with a third party processor for the supply of the Trust publication – Third Age Matters (TAM). Each member has a choice as to whether they opt to receive this publication. Other than this East Grinstead U3A does not share membership information outside of East Grinstead U3A. Membership information is securely held and access is restricted to those who need to process data for membership purposes. Storage and processing of membership data is done in line with GDPR and safeguarding requirements. East Grinstead U3A operates with a data protection policy and privacy statement and has sought advice from the Third Age Trust in developing guidance in respect of our practice in relation to data protection.

Necessity Test

East Grinstead U3A requests minimal information from potential members which includes personal details and contact details. This information is proportionate to the requirements of East Grinstead U3A fulfilling its responsibilities in relation to being able to communicate effectively with its membership. East Grinstead U3A would not be able to register members or process applications without the provision of a certain amount of membership information. East Grinstead U3A has a duty of care to its membership and needs to retain a certain amount of personal information in order to know who its members are and which members are paid up members of East Grinstead U3A. This is necessary for meeting the requirements of the insurance provision for U3A members.

Balancing Test

The personal data requested is that which is needed for registering and processing individuals as members of East Grinstead U3A. The data requested is minimal personal data and that which is needed for communicating with members... All the data gathered is from individuals who provide the information as part of their application to join that U3A. Membership is for a 12 month period at the end of which time members have the option as to whether or not they wish to renew as well as having the opportunity to update their personal information. The reasons for collecting personal information is explained to potential members at the point of joining. A copy of East Grinstead U3A's privacy statement is available to all members who wish to have further details about how their information is used and who it is shared with. Members who are unhappy about their data being shared with third party processors are able to opt out of receiving those publications for which a processor is used. East Grinstead U3A holds information securely and it will only be accessed by those who need to see it. Membership data will not be processed for any purpose other than in connection with an individual's membership. Communications sent will be relevant and targeted to the individual's membership activities. U3A members will not be sent marketing materials or information that does not relate to East Grinstead U3A. Group leaders will be informed of the importance of restricting their communications with members to that which is needed for organisation of the group. All those who process membership information for East Grinstead U3A will receive an induction into the requirements of GDPR and the restrictions around data processing. In addition, volunteers will be informed of the need to keep data secure and restricted to those who need access to it. Through compilation of this assessment East Grinstead U3A considers that it has a legitimate interest to collect, hold and process membership information. This document will be held by the Committee and communicated to the membership, as required. The assessment will be reviewed every 2 years in order to ensure that legitimate interest remains the most appropriate lawful basis for gathering membership information.
