

Financial Policy East Medway u3a

1 Trustees' financial responsibilities

The trustees of East Medway u3a are responsible for:

- Safeguarding the assets of the charity.
- Identifying and managing the risk of loss, waste, theft or fraud.
- Ensuring the financial reporting is robust and of sufficient quality.
- Keeping financial records in accordance with the governing document and relevant legislation (e.g. Charities Acts, Companies Acts etc).
- Preparing Annual Accounts in accordance with the governing document and relevant legislation.
- The accounts should show a true and fair view of the state of affairs of the u3a.

Trustees are jointly responsible for keeping full financial records. These include those of the u3a and all the interest groups, sub-groups etc., where appropriate.

To enable the trustees to carry out these responsibilities, the financial procedures detailed below will be followed.

A copy of this policy will be given to all trustees on their election/appointment to the committee and made available to members on the website.

The policy will be kept under review and revised as necessary.

2 Banking

2.1 Bank accounts

- The bank account is held by National Westminster Bank and is in the name of East Medway u3a and operated by the elected Treasurer.
- New accounts may only be opened by a decision of the trustees, which must be minuted.
- Changes to the bank mandate may only be made by a decision of the trustees, which must be minuted.
- The authorised signatories are the Chairman, Membership Secretary and the Treasurer. This responsibility cannot be delegated.
- All cheques must be signed by two signatories.
- The signatories are responsible for examining the payment documentation authorising an internet transfer.

- All bank statements must be sent to the Treasurer directly.
- Blank cheques will never be issued.

2.2 Online banking

Where online operation of the bank accounts is in place only the Treasurer has access to this facility. The security of the online system is in line with the arrangements offered by National Westminster Bank and in accordance with the mandated approval limits. Operation of the online banking service is under the control of the Treasurer who has full access rights. Access to the online account is made via Personal Log-in number and Access Code.

2.3 Payment by bank cards

No bank debit or credit card in the name of East Medway u3a has been provided by the Bank.

2.4 Personal debit or credit cards

The use of personal debit or credit cards for interest group activities needs to be closely managed. Permission must be sought from the committee where a group feels that there is no other viable way to make payments.

Prior approval must be given by the committee for equipment and other items to be purchased for the use of East Medway u3a or specific interest groups. In these circumstances, it may be appropriate for a member to purchase the equipment themselves and then claim the cost as a personal expense claim.

3 Groups' finances

Interest groups are expected to be self-financing and may collect such sums of money as the group members and group coordinators deem to be necessary to undertake their activities. The funds of these groups belong to East Medway u3a. Groups are permitted to make any expenditure deemed necessary by the group members and the group coordinators and can withdraw money on request from the ringfenced funds held by the u3a on their behalf, as appropriate. The Treasurer, Interest Group Secretary and Group Coordinator(s) need to agree what records they need to keep of the groups' transactions in order to:

- Allow the Treasurer to keep accurate accounts for presentation to the AGM, for discussion with the trustees and to meet regulatory requirements.
- Allow the group members to understand how their monies are being managed.
- Maintain transparency and trust for all concerned.
- Minimise the risk of error and potential loss of funds.
- Allow group coordinators to maintain cash floats.

3.1 Receipts

To manage the handover of cash and cheques to be paid into the East Medway u3a bank account the committee has decided that:

- Bank paying in slips will not be given to group coordinators for this purpose.
- Group coordinators may not pay sums due by issuing their own cheque or paying online through their own bank account.
- Where applicable receipts will need to be given to group coordinators, or acknowledged by email.
- Where net sums are being paid over this needs to be fully demonstrated to the Treasurer.
- Cash held back for cash flow purposes will be within the u3a's approved limits.

3.2 Payments

The committee will inform relevant group coordinators as to the approved process for payments relating to:

- When a trip is organised by and paid through the u3a or paid directly by the members to the trip organiser.
- When payments may be deducted from activity revenue:
 - Venues
 - Coaches
 - Tutors
 - Speakers
 - Other
- When payment for venues, coaches, tutors, speakers etc must be paid by the u3a.

Outside speakers, where relevant, should be asked to state their fees and any travel costs at the time of booking and a cheque obtained from the Treasurer.

Where the committee has agreed the use of a paid tutor, they must provide evidence of their self-employed status and invoice the u3a as agreed.

The committee (via the Treasurer) will monitor the income and expenditure of the groups. Group coordinators need to provide regular information, as agreed, to the Treasurer. Where groups do not comply then the committee will review as to whether the group is legitimately operating in line with the insurance and financial requirements.

3.3 Social activities

Events such as theatre trips, visits or educational days out must be charged at cost and all participants pay appropriately. The costs paid by members must cover out-of-pocket expenses.

The organiser of an event must not benefit from any discount (e.g. a free place) offered by the organisation providing the event. The value of free places must be shared out among all participants to the event.

Out-of-pocket expenses can be paid to an organiser out of the money collected for the event. As all u3a members offer their services free to the movement, the organiser(s) must not get any pecuniary reward for organising an event.

4 Payments to other charities

In line with charity law, a u3a cannot raise funds for another charity that does not have similar charitable objectives. East Medway u3a will make payments to speakers who have indicated that they intend to donate their fee to a specific charity but not direct to their nominated charity.

5 Expenses policy

Out of pocket expenses incurred by the volunteers who are involved with running the u3a will be reimbursed. Expense claims must be submitted with receipts. Expense claims will be authorised by the executive committee and no committee member should authorise their own claim. Expenses will include – with committee approval – attendance at the Trust's AGM and Conference or national/regional workshops.

All claims need to be made with receipts giving sufficient detail as to the nature of the expense.

Expense claims should reflect the cheapest travel option available. Travel by car will be reimbursed at the current HMRC approved rate for the actual mileage travelled. Car parking and congestion charges can be reclaimed (with receipts) but parking or other fines will not be allowed.

Overnight accommodation will only be allowed in exceptional circumstances and will need the prior agreement of the executive committee.

6 Membership Fees and membership of more than one u3a

The membership fee is reviewed on an annual basis. East Medway u3a is committed to keeping the membership subscription as low as possible to ensure that the u3a remains accessible to all members.

For u3a members who can evidence membership of another u3a, East Medway u3a will reduce the cost of membership by the amount that is paid to the Trust for each member.

7 Asset register

An asset register is maintained by the Treasurer which records all assets held together with a note as to its location.

It should be noted that under a receipts and payments reporting system, all assets are fully written off against receipts in the year of purchase. The register is reviewed annually.

8 Reserves

East Medway u3a aims to keep a level of reserves that will cover six months of regular operating activity. This is considered by the committee a reasonable level for this type of charity. East Medway u3a seeks to reduce a high level of reserves by absorbing any mid-year increase not previously budgeted for.

Social account activities are excluded from this figure as these activities are inflated by high-cost activities such as theatre visits and days out and are entirely self-financing.
