

OUR OPEN HOUSE-HOUSE EVENT **ON THE 7th JANUARY 2020 REPORT**

This Recruiting event held on the 7th January 2020 was a resounding success.

The "New Members" figures are impressive. We counted a total of 79 visitors of whom we have welcomed 39 to our ranks, which is a strike rate of around 50%. Now we need to make a concerted effort to ensure that we keep them and harvest their skills for the benefit of our U3A.
