

U3A Rambles for 2024

February 9th – John Riley will be leading us from East Dean. The route will be decided nearer the time, dependant on weather and path conditions.

March 8th – Heather is going to take us on a ramble in the St Bede's area.

April 12th – I will be leading somewhere yet to be decided.

May 10th – Heather has offered a walk from Rottingdean.

June 14th – NO LEADER AS YET!!! Any volunteer will be welcomed with open arms! If you would like to have a go but are a bit unsure, I am always willing to help.

July 12th – Tricia will be leading a walk from South Hill Barn

Remember! All walks start at 10 o'clock unless notified otherwise. Also, if you would like to come on a ramble but do not have transport please let me know and I will see if anyone is able to offer a lift.

Looking forward to seeing you on the rambles.
