

Pickleball

Several groups all having in common that no special equipment is required as initial paddles and balls are provided. It couldn't be easier to have a go at Pickleball. It is a fun sport that originated in the USA. It combines elements of tennis, badminton and table tennis. Four players use solid paddles to hit a perforated ball over a net. Pickleball was invented in the mid 1960's and is one of the fastest growing sports across the world. Players wear comfortable clothing and non-slip shoes. If you wish to join a group always first contact its Leader and supply your membership number or, if you are not yet an Eu3a member, your telephone number. We are registered with Pickleball England - see www.pickleballengland.org
