Gainsborough House <https://gainsborough.org/> is the childhood home of Thomas Gainsborough RA (1727-88). The museum opened in 2022 and offers an excellent opportunity to explore this Grade 1 Listed building including the Gallery featuring many examples of works by Gainsborough and his contemporaries.

Admission and 90 minute Guided Tour £20.00 per person. There is a highly recommended Café on-site, beautiful gardens and of course an opportunity to explore Sudbury

Pay and Display Parking is available nearby. My reliable SatNav has estimated a maximum of 1:35hrs travel time.
