

Hi, my name is Lynne Morgan.

I am a retired Primary School teacher who has also taught in Secondary and Further education.

I am also a 'Lancashire lassie' having lived north of Manchester all my life until I moved down to Exeter in March 2015. I then moved to Cranbrook to be near my son, who is an engineer at HC2M Hill, and his wife and my two grandchildren. I am also now much nearer to my daughter who is in the Police Force in Bristol.

I love it here in Exeter and being able to look after my granddaughter one day a week but I knew that making a new start in life would be very difficult without new friends.

My Mum, who is 92, is a great believer in the U3A and actually started the branch in Bury in Lancashire where she moved to 12 years ago. She suggested that joining the Exeter branch would be a good way to make new friends. She was right!! Since joining last year I have joined the Choir, Singing together, HOTM, Gardening, Birdwatching, Circle Dancing and various walking groups and have met some lovely people who have made me feel very welcome.

I am now looking forward to my first year on the Committee and getting involved in shaping the future of our Exeter U3A!
