Where this is the case then the member/s will be informed as to how long the information will be held for and when it is deleted.

How your information can be updated or corrected OR DELETED

You can do this by contacting the membership secretary at any time.

membership@exmouthu3a.org.uk Members need to inform 'the U3A' of changes to their personal information. On an annual basis you will have the opportunity to update your information, via the membership renewal form.

Should you wish to view the information that 'the U3A' holds on you, you can make this request by contacting the membership secretary – as detailed above. Otherwise we will usually respond within 14 days of the request being made.

How do we store your personal information?

Your membership information is primarily held on the database system we use via the Third Age Trust ("Beacon"). This is an on-line system, for use by U3A branches such as ours.

Beacon includes some financial information about the payments you have made, including cheque numbers. It can also include your Group membership details. Some information may be held on paper and /or a spreadsheet to be accessed by Committee members and Group Organisers/Leaders as appropriate.

Next of Kin

The reason that Exmouth and District U3A may request contact details for members' next of kin is so that the committee and/or Group Coordinators/leaders know who to contact in the event of an emergency.

'The U3A' has a duty of care to its membership and in order to ensure your safety we need to be able to contact someone who can meet your welfare needs in the event of an incident/accident. Exmouth and District U3A requests that members inform the person identified as your next of kin that you have provided their details to Exmouth and District U3A.

The next of kin information provided by members would only be used in the event of a serious incident/accident. 'The U3A' would use the information to contact someone who may need to collect the relevant member, support the relevant member or liaise, on behalf of the relevant member, with a third party provider such as a medical professional.

'The U3A' only requests minimal information regarding members' next of kin which includes a name, telephone number and the details of their relationship to the member.

For certain events and trips we may need to provide these details to a 3rd party. Wherever possible we will always make you aware when next of kin information is requested and with whom that information will be shared.
