- *Learn new skills*
- *Laugh with friends*
- *Live for the moment*

Choose from about 80 interest groups – the decision about what to do is made by the members for the members. You can join as many groups as you wish. Joining in is made easier when you're surrounded by others who have similar interests to you.

And once a month we invite our members to a meeting where you can get together, chat and listen to some great speakers.
