

FILM GROUP

Group Objective – to watch films covering old classics and more recent ones then discuss as a Group what the film meant to members including things like overall enjoyment, quality of acting, cinematography and the story itself.

Format - the Group meet once a month on a Friday (second last Friday of each month from September 2023 to June 2024) at 10.15 am for 10.30 start.

For the 2023/24 session we have managed to procure the fantastic resource at Morrisons in Falkirk and are able to use their excellent Community Room free of charge

A week prior to the meeting the Group Organiser emails all the members with details of the upcoming film which will be shown via projector. Each film will be carefully selected by the Organiser and will have a run time of around 1 hour 30 minutes but under no circumstances lasting any longer than 2 hours. At the end of the film showing there will be an opportunity for members to discuss the film
