## **To all Member U3A Chairs and Secretaries**

Please find attached the programme for the next **ALL SCOTLAND ASSEMBLY** to be hosted by Tweeddale U3A in St. Joseph's Hall, Peebles.

Those of you who attended our Last Assembly in Elgin in October, may question the need for another Beacon presentation. This has been arranged because of two reasons:-

1. a direct request to John from those Member U3As unable to travel to Elgin, to repeat his presentation in the South of Scotland and
2. technical difficulties experienced in Elgin leading to a foreshortened and less than perfect presentation.

The main speaker of the afternoon session is Richard Teare, Treasurer of The Third Age Trust. **This session is not intended purely for in-post Treasurers, but for all committee members and others who have responsibility for handling U3A monies.** It is becoming increasingly obvious to The Trust, U3A in Scotland and OSCR, that Trustees are not fully cognisant of their level of responsibility relating to U3A finances. It is highly probable that in the near future more detailed financial reporting will be required along with a more structured (and recorded) induction of Trustees.

Each Member U3A may reserve two places, but should you require more, there will be a waiting list on a first come basis.

**To reserve a place** at the assembly please email your registration form to our secretary, Rosie Alexander **no later than 16th March 2020.**

**DIRECTIONS TO VENUE:-** are attached and can also be found on the U3A Scotland website. **Disabled Parking** - is available at the venue; if required, please include your car registration number along with your other details.

*all submitted information will be handled in compliance with the U3A in Scotland Data Protection and Privacy policies which can be found in full on our website.*
