

Faversham and District

Make the most of life once you're no longer in full time work by exploring new ideas, skills and interests with our u3a.

Our groups are local, sociable, friendly, low cost and open to all. Our members are learning, staying active and having fun.

There's so much out there to experience: from cinema visits to book groups; jazz and folk music to craft and art activities; history to languages; cycling, walking, tennis, Rummikub, Bridge and working on the allotments. What's stopping you?

If you have an interest we currently don't offer why not work with us to set it up?

Faversham and District

"The u3a gives you opportunities to develop your interests, make new friends and have fun."

Monthly Meetings

These take place at West Faversham Community Centre on the third Wednesday of each month at 1pm for a 1.30 start.

At each meeting there will be a talk by a visiting speaker, or social event like a quiz.

The meetings are free. They provide an opportunity to meet together, to chat over a cup of tea, and find out about the groups on offer.

Past speakers have included

- A transpolar explorer and photographer.
- A talk about the environmental issues affecting our local area, and action we could take.
- The former personal body guard to the Queen.
- Talks about our history. These have included historians talking about Thomas a Becket, medieval medicine and "A School Girls' War".
