Welcome to our October Newsletter!

This month we look forward to welcoming Air Marshal Sir Graham "Dusty" Miller who will talk about his journey from RAF apprentice to Air Marshal. As a pilot he flew Jet Provost, Hunter, Jaguar, and Tornado aircraft. He went on to become Air Secretary, and Deputy Commander at Joint Force Command in Naples. This is a great chance to hear from someone who lived through a significant period in RAF History.

The November newsletter will contain details of the talks schedule for the first half of 2024, which will include: police advice on safety in the home; nuclear power - does it have a future?; how the county council works; and the sinking of the Titanic.

If you have have not already done so, please consider signing up to receive the U3 Magazine, Third Age Matters (TAM) - details on the next page.

I look forward to seeing you on Wednesday 18th of October at 2 pm in Lydney Townhall for what promises to be a fascinating talk by Dusty Miller.

Ken

## Strollers, History, and Third Age Matters (U3A Magazine)

In August the **Strollers** had a gentle walk at New Fancy - a lovely day and 16 of us participated - see photo at top of newsletter. The Strollers said a sad farewell to Val Collett who has done an excellent job as co-ordinator for the last 8 years.

The Strollers Group meet on the first Monday of the month and have an hour's walk in a variety of places in and around the forest area, always choosing good level forest tracks. We have a coffee stop at the end of the walk. Contact:Hilary Cant

The **History** Group had an enjoyable afternoon at the Swan Hotel in Lydney talking about Rodley Manor.

Members were surprised at the amount of history associated with the estate and how it linked to other historical features in the region.

Due to the small number of members currently registered for the group, and to ensure that running the group remains cost effective, it was decided to hold next month's meeting in the Swan Hotel Lydney on the 30 Oct 2023 at 14.00.

This will provide members with the opportunity to test their knowledge on the Battle of Britain Memorial Flight (BBMF). If members would like to join the group for this discussion then please contact the Co-Ordinator to ensure that the correct size table can be reserved. Bob Garside
