

## **Four Border Abbeys u3a, Chairman's Report 2022-23**

I am pleased to report that our u3a has enjoyed a very successful year. We have 330 members, a significant number of whom are new. Participation in Group activities is growing, both in the number of Groups (now 37) and size of some Groups. Our financial affairs are in good order, as the Treasurer will report.

Our monthly meetings are well attended and it is a pleasure to experience the interaction between attendees at these events.

All of the above is first and foremost as a result of the enthusiasm of our u3a Membership but it is also important to recognise the leadership and commitment of Group Facilitators, and the work of the Committee.

I would like to thank them for their constant focus on achieving the best for our members and ensuring we undertake our responsibilities thoroughly and correctly.

The future looks bright for our u3a and I step down from the position of Chairman knowing that the next years will be in very capable hands.

I look forward sharing future u3a activities and events with many of you.

Andrew Wilson

Chairman 2022/23
