

Welcome to the 3rd edition of the Glossop U3A newsletter.

AGM Update

The AGM was held successfully on Zoom. Thanks to all of you who voted. There were 61 of you, 53 using the online form, ensuring the quorum was met. All the resolutions were carried with only a few votes against and abstentions. With the marvels of today's technology Chris recorded the whole meeting. If you really do want to watch it contact Chris via the website for the link. The subs increase was agreed and we now know that the contribution to the Third Age Trust will rise from £3.50 to £4 in April 22. But as restrictions seem set to continue the committee expect to apply a discount next year.

Group News

With further restrictions just announced it looks like it will be some time before we can be thinking of restarting meetings as we would like them. In the meantime some groups are keeping going in 'virtual' form.

History 1 group using Zoom.

Poetry Reading monthly themes on email

Book Group on email.

Local History has weekly quizzes.

Globetrotters is trying zoom.

If anyone wants help to restart their groups or start up a new group please contact the new Group Coordinator, Pam Zuntz.

Third Age Activites

As we start a month or maybe more of restrictions there's no chance of us restarting proper meetings. From the start of the first lockdown the 'Third Age' Trust have been putting ideas on their website of activities for us to try. Quizzes, maths, photography, birds, poetry, art and craft.....

Plenty of things have a go at over the winter months.
