

WALKING THE EXTRA MILE PROGRAMME 2018

Walks are planned for the 2nd & 4th Friday of each month. The dates for the year are listed below but not all walks have been planned & checked yet so locations still to be decided or subject to change. We will draw some walks from the 2015-17 programmes and may not always recheck these routes. We now have a team of 4 walk leaders which has made it so much easier to manage what has become a big programme.

We are hopeful that other members may like to get more involved – please speak to one of the leaders.
