

COUNTDOWN

We meet every 1st Friday at the Grange Institute from 10:00 to 12:00.

All are welcome to attend for a "fairly uncompetitive" and friendly session, including a break for refreshments. We try to loosely follow the format of the Channel 4 programme with a few simple alterations:

1 Everybody who gets a valid word accumulates points, based on the length of their word, rather than the TV version where only the highest scorer gets any points.

2 Two 30 second periods are allowed for the numbers round to allow our slower brains to function.

3 Exact number gains 10 points

Within 5 gets 7 points

Within 10 gets 5.

4 We normally have 3 conundrums per session and if possible we try to link them with a common theme.

U3A subscription is £12 per year with a £1 payment per session. If interested please contact Michael McCormick treasurer.grangeu3a@gmail.com
