

DIGITAL PHOTOGRAPHY

In the summer we adopted as a theme “coasts and the sea shore”. In connection with this a select group travelled, mainly by train, to Arnside for a photo shoot in which one boat was particularly popular as a subject. An ice cream rather than a coffee break was taken. We viewed these images and many others from the UK and other places around the world in our September meeting. In October we focussed on some computer software demonstrations for image enhancement and the preparation of slide shows with both images and sound. Our new theme is “Morecambe Bay” and images will be viewed at our November meeting.

New members, of any ability, are welcome and we always welcome ideas for topics for inclusion in the programme. We meet on the third Thursday of the month usually in Grange Institute.
