

POP UP BRING A FRIEND PICNIC

Friday, 5 July, 1330 to 1630

Old Gravesendians, Bronte View DA12 1PX

(just along from Echo Square, down Parrock Road, turn into Bronte View, carry on straight into expansive car park).

Our 2023 picnic was a roaring success. This year we have a better venue, free parking, great seating area, large grassed area, more activities and demonstrations and, best of all, **it's FREE**.

BRING YOUR OWN PICNIC and a non-member friend or 2 - Old Gravesendians' Bar will be open so you'll be able to buy a nice beer, cold drink, coffee, tea etc. PLEASE NOTE only alcohol purchased at the bar is allowed.

Picnic tables/benches (you can bring a cushion or fold up blanket if you want) are already there in a newly landscaped area, but you can bring a fold up chair to move and get a good view of some of the demos.

We have – music and also a singalong courtesy of Jonny G, Line Dancing and Modern Jive demonstrations (with a chance to join in), Petanque and Short Mat Bowls/Bowls for you to watch/have a go, Ukulele jamming session, Mexican Train Dominoes (you don't need a sombrero), a free books' table already arranged and lots more possibles. We hope many more Groups will promote their activities by showing Members what they do, bringing a poster, photos etc.

Come and have some fun in the sun – try a new activity (**LEARN**), see old friends, make new ones (**LAUGH**) and bring a friend/neighbour/family member to see what we're all about (**LIVE** – life to the full).

Plenty of parking, but car sharing a good idea too as we are sure this will be a popular event. Please make a note of the date Friday 5th July - Joan Porter

Who do you know who could benefit from joining our U3A community?
Especially those no longer working, living alone, recently separated/bereaved or just spending too much time watching day time TV, or not leaving the house much!

Many with long term conditions can also benefit from the joining our U3A. Most of our groups have spaces and there are new groups being formed most months. Including Craft & Laugh this month who are undertaking completing some of Joan Porter's Anniversary Squares, ready for our September meeting at CPC.

Please could you have a conversation and explain the benefits of joining our U3A and (if able) show them the range of groups and calendar in the newsletter or on our Website – You could also invite them to our **Pop up Bring a Friend Picnic!**
