### Beers sampled

Brewery	Name of beer	ABV %	Tasting notes
Greene King	IPA	3.7	Bland, flat
St Peters	Gold Rush	4.3	Fresh, probably using pellet hops leaving a 'tannic effect' in the mouth
Woodforde's	Nelson's Revenge	4.5	Gentle hop, some citrus edge. Long well balanced flavours

### Ownership of pub and name (status) of proprietor

E.g. Brewery tied house/PubCo/Free House; Landlord/Owner/Tenant/Manager etc.

### History of pub

Recently reopened following extensive refurbishment

### Overall Impression of Pub / Other Notes

Reasonable range of ales, but more of a pub for eating than specially for the beer
