NOTES

Malcolm stores all the equipment except:

1. Stored in the Media Centre at The Cut
2. Stored at Chinnys Sports Bar

The Optima projector and DVD player produce an excellent quality picture and can be used for showing videos or DVD films. The small loudspeakers provide sound the HiFi equipment can be connected to give excellent quality sound as well (the U3A Music Appreciation group use this on a regular basis).

This equipment can be used by any Halesworth U3A group. Enquiries to Malcolm.
