

Looking back and looking forward. Local Archaeology and a new U3A year

As usual U3A has taken a summer break during August with no 'open to all' talk or event at The Cut. However, a good number of the many interest groups have continued to meet throughout the summer with the Ukuleles playing at several outdoor events, the Science group visiting the recently refurbished Cambridge Zoological museum and the walkers walking 5 miles around the Dunwich area.

September will find us holding our AGM which will report back briefly to members, events of the last year and electing a new committee for 2019/20. This will held be at The Cut a few minutes after our September 'open to all' talk on Tuesday 17th September at 2.30, when Dr Abby Antrobus from the Suffolk Archaeological service will give an illustrated talk. This will be about their work and some of the recent finds made in our area. Non-members are as always most welcome to come to the talk (£3.00 on the door) and can, should they wish to leave before our AGM. The AGM will be followed by Coffee and Cake served in the Cut Café. Members old and new will then have an opportunity to meet and should they so wish informally 'bend the ear' of their newly elected committee'.

Both new and existing members will also be able to pay their annual subscription if still outstanding (£15) on the day immediately before the talk and also after the AGM.

We continue to welcome new members for just £15 per year for which members get free access to our monthly talks at The Cut, and an opportunity to attend our twice-yearly social events plus access to many of the self-running interest groups with space to welcome new members.

For more information about these and to make contact you can visit our website, just search 'Halesworth U3A', Application forms are also available to print from the website.

Should you prefer to find out more about Halesworth and District U3A face to face over a coffee please come and meet some of our longer standing members in the Cut Café on Friday 27th September from 11.00 until noon. You can also join then should you wish to do so.

As always, we welcome new members to join us in a wide range of activities and groups to continue to 'Live, Learn, and Laugh' while enjoying each other's company and to share each other's common skills and interests.

THE UNIVERSITY OF THE THIRD AGE

Martin Stevens for Halesworth and District U3A
