

# Stories from the Stones

## Memorial Recording at St Mary's Church Handsworth

Burial Grounds are full of stories, of lives long lived and those cut tragically short. They chart the history of our communities, they tell stories of immigration, war and disasters, of fashion and wealth and it is this rich social history we will explore. Join us in finding out how and why to record memorials and help us capture this important resource of Birmingham's social history. This is a practical, outdoor session on a site with a variety of terrain including wide surfaced pathways. This session can accommodate those with additional access needs please get in touch if you wish to discuss these.

Sessions are taking place on the following dates **from 2pm til 4pm**

**Wednesday 5th April 2023**

**Wednesday 31st May 2023**

**Wednesday 2nd August 2023**

**Come and help us uncover the stories!**
