

As promised – the names of the Seven Sisters (from Cuckmere Haven in the west toward Beachy Head in the east) are: -

1. Haven brow dipping down to Short Bottom
2. Short brow dipping down to Limekiln Bottom
3. Rough brow dipping down to Rough Bottom
4. Brass Point dipping down to Gap Bottom
5. Flat Hill dipping down to Flathill Bottom
6. Baily's Hill dipping down to Michael Dean
7. Went Hill dipping down to Birling Gap.

Surprisingly the hill on which the Belle Tout Lighthouse stands is not one of the Seven Sisters
