

# Coronavirus (Covid 19) and Havant U3A

The Havant U3A executive committee has given anxious consideration to how to proceed in the light of the developing coronavirus situation.

We are mindful that, as a body, we are a high risk group and that a number of members have underlying health issues. We do not feel that members should be exposed to any avoidable health risk.

**Accordingly, we have decided to cancel the monthly meetings arranged for the 19<sup>th</sup> March and the 16<sup>th</sup> April.** We will decide whether to proceed with subsequent monthly meetings in the light of the developing situation.

**We have also decided to cancel the Quiz arranged for Saturday 28<sup>th</sup> March and the coach trip to Wells on Wednesday the 22<sup>nd</sup> April.** Members who have paid will get a full refund from our treasurer, Margaret Stanger.

It also follows from the government's firm advice that we must also **suspend Group Meetings** where recommended separation between members (2m) cannot be maintained. See the Members Page of this website for guidance.

We regret having to make these decisions, but we are sure that you will understand the reason.

Yours sincerely,

**John West,  
Chairman**
