

NON-MEMBERS PARTICIPATION ON COACH TRIPS

Non-members can attend meetings and are covered by insurance, but non-members are not covered on coach trips unless:

(a) they are prospective members participating in a "taster session" before deciding whether to join with a maximum of two such trips.

(b) they are attending to care for a member.

All other non-members wishing to participate in coach trips must sign a form of waiver acknowledging that they are NOT covered by u3a insurance and agreeing that they will not pursue any possible claim against Havant u3a or its executive committee in the event of any possible claim."
