

High Wycombe and District U3A

Policy on people who are not members of HW & District U3A

attending our General Meeting and Interest Groups

People who are not U3A members at all, or are members of other U3As may attend:

- one General Meeting as a “Taster Session” at a cost of £2.
- an Interest Group on one occasion as a “Taster Session” making a contribution of £1 over and above whatever charge a group normally makes (e.g. for refreshments).

In order to attend more than one General Meeting or to return to an Interest Group, people who are not U3A members at all, or are members of other U3As will need to join the HW & District U3A. Members of another U3A will have their subscription reduced by the Third Age Trust Capitation Fee applicable at the time.

As an exception to the above, members of other U3As may attend our Croquet Group and our Ten Pin Bowling Group on an ongoing basis without joining the HW & District U3A, paying the same attendance charge as the HW & District U3A members.
