

# Fly Me To The Moon

Frank Sinatra

BPM : 120

**Am7**            **Dm**            **G7**            **Cmaj7**  
Fly me to the moon, let me play among the stars,  
**F**                    **Dm**                    **E7**                    **Am** **A7**  
Let me see what spring is like on Jupiter and Mars,  
    **Dm**                    **G7**                    **Cmaj7** **Am**  
In other words,      hold my hand!  
    **Dm**                    **G7**                    **C**                    **E7**  
In other words,      baby kiss me!

**Am7**                    **Dm**                    **G7**                    **Cmaj7**  
Fill my heart with song, and let me sing forever more  
**F**                    **Dm**                    **E7**                    **Am** **A7**  
you are all I long for all I worship & adore

**Dm**                    **G7**                    **Em7b5** **A7**  
In other words,      please be true!  
    **Dm**                    **G7**                    **C**  
In other words      I love you

[Instrumental]

**Am7 Dm G7 Cmaj7 F Dm E Am Dm G7 Em A7 Dm G7 C**

**Am7**                    **Dm**                    **G7**                    **Cmaj7**  
Fill my heart with song, and let me sing forever more  
**F**                    **Dm**                    **E7**                    **Am** **A7**  
you are all I long for all I worship & adore

**Dm**                    **G7**                    **Cmaj7** **C7**  
In other words,      please be true!  
    **Dm**                    **G7**                    **C** | **Am** | **Dm G7** | **Cmaj7** [flourish]  
In other words      I love you      |//// |// // |
