## Three Men in a Boat

Jerome K. Jerome's classic Victorian memoir has been gloriously adapted by celebrated star of stage and screen, CLIVE FRANCIS (*The Crown, A Clockwork Orange, Entertaining Mr. Sloane*) preserving the timeless humour and infusing it with a fresh and vibrant touch for contemporary audiences. This warm and witty play invites you on an uproarious journey down the meandering waters of the Thames with the delightful trio of friends Harris, George, and Jerome, as they set sail on an unforgettable adventure through the English countryside (with just a few stops that you might recognise!) Each twist and turn bringing a fresh dose of laughter and unexpected encounters. So, pack your bags, grab your oars, and prepare to be swept away by the camaraderie, and mischievous antics of this unforgettable trio, as they navigate not just the river's currents but the comical currents of life itself.
