We will be sharing more details later, but please add to your diary now. Please note we will not hold a monthly meeting in December, so if you have the 9 th in your diary take it out.

Talking to you

Our Friday meetings are a great opportunity for you all to meet committee members, but we are aware you can't all come. Our apologies for the short notice when we had to cancel last month. Hopefully a combination of emails and phone calls ensured most of you knew about the cancellation.

This is perhaps a timely opportunity to remind you that because our emails are sent out in bulk some systems may treat them as spam. This is less likely to happen if you add hvu3a1@gmail.com to your address book so that your email knows we are friends.

More on keeping in touch in our September Quarterly newsletter. This is sent as an email to web link as much as possible, but let us know if you need assistance in downloading it.

A new term in September

We are not including an update on our groups this month, as many of them have chosen to have a break in August. If you want to try something new, or return to a group you haven't visited for a while, do check with the group leader first.

When groups return in September it is likely there will be a couple of additions. Our group leaders are also being asked about current capacity so we know if there are topics we might need to expand.

In the meantime, do enjoy your summer, whether it is strolling round the Holme Valley, making good use of your gardening skills or practising the French.
