

News update January 2021

A Happy New Year to you all from your committee

Our Spanish and Digital Photography groups both enjoyed a Christmas meet on-line

Our national u3a has been busy over the last few months extending the way it reaches out to the thousands of members all over the country who have found local activities curtailed. Newsletters were issued on both Christmas Day and New Year's Day. Both included some interesting reading.

<https://mailchi.mp/u3a/new-years-day-newsletter-express-1>

Did you know, for example, that the u3a has a **Youtube channel**, <https://www.youtube.com/user/TheU3a> where it issued a special Christmas message for us all. If you are interested in how the u3a is looking to the future, the presentation on here that followed the December Emergency General Meeting is worth a look.

There were also links to many ideas to keep you busy – a new quiz issued every Tuesday with answers the following week is just one of the many resources on the learning pages of the website <https://www.u3a.org.uk/learning/national-programmes> for example.

Incidentally, followers of U3a Facebook page **u3a: keeping in touch** will know that Linda and Ian Matheson run a monthly inter-u3a quiz. Is anyone out there interested in getting a team together? There is an application form and an explanation from Linda of how the quiz works on a Facebook post from Linda on 16th December

You can sign up for your own copy of the newsletter here <https://u3a.org.uk/newsletter> and do let us know if you join in any of the national activities or make use of the resources.
