

## Changes to groups this Autumn

We are pleased to see our groups expanding into new activities. There was enough interest in Bridge to make two groups worthwhile. One starts on October 12th from 2pm-4pm and the second on October 13th from 7pm-9pm both at Wooldale. The new French class will encompass reading, writing and speaking the language. Both include participants with little or no knowledge as well as more experienced people, so all are welcome.

We are also running a repeat of both the six-week 'Introduction to Photography' course and the half-termly 'family history' course run in conjunction with the Root Cellar in Meltham and starting again in November.

Places on all these are limited but do contact Shirley if you are interested in any.

Autumn is also the time when some of our sporting activity moves indoors, with twice weekly bowls being replaced by indoor table-tennis and curling. If you need more details contact Shirley or either Tom or Jackie Green.

De-stressing your life group seeks like-minded members. Contact Maria for details.
