

U3A Partnership with St John's Mill

The U3A is one of the partners of St John's Mill which is a registered charity and our venue for monthly network meetings.

Partner organisations are those groups who work alongside the Mill and share the aims and objectives of the charity. The Mill seeks creatively to use its resources and team to support each partner where most needed and on an individual basis. The U3A have been grateful to the Trustees and staff for ensuring our meetings run efficiently.

The surroundings are beautiful and as a restored watermill provide the ideal setting for members to relax and socialise. U3A members are offered an optional afternoon tea following our meetings and this is often serviced by SJM volunteers, and the funds for this go directly towards restoration and maintenance.

The additional free car parking at Tynwald Mills is very useful. SJM is disabled-friendly and has bookable disabled parking spots available for the network meetings by contacting the manager on 802900
