

## **Venue Change**

In November 2017 the Chairman wrote: we very much appreciate the enthusiastic support of the membership at our Friday morning meetings and are very encouraged that Sheila's choice of speakers has been so popular. However the attendance at the last meeting was well over the maximum of 100 permitted for safety and insurance reasons, and we have to do something about this

In January 2018 she said that the majority of those of you who replied regarding your preferred venue for our Friday meetings chose Malborough Village Hall. However this hall will not be equipped with a screen/available until April, so our Friday meetings in January, February and March will still be in the Methodist Hall in Kingsbridge, and sadly we may have to turn people away if the number exceeds 100.

In April and May we had trial meetings at Malborough, which were at the later time of 10.30am to 12.30pm in order to fit in with bus times from Kingsbridge.

In the 2018 AGM at the May meeting it was the vote of the majority of members attending that we should move our meetings to Malborough Village Hall for the next 12 months at least, so our Meetings will be held there starting on June 22 .
