

# *Days trips*

## *New arrangements for buying tickets at coffee mornings*

---

We are introducing new arrangements to avoid queuing and other problems seen recently.

If you want to buy tickets for a day trip you will need to:

1. Register at the desk on arrival at the Community Centre.
2. Ask for a 'cloakroom' ticket – this fixes your position in the queue.
3. Take a seat, get a drink, have a chat while you wait for your number to be called.
4. When your number is called:
  - ♦ go to room 1
  - ♦ give in your cloakroom ticket, and
  - ♦ book your tickets for the trip in the usual way.

Notes:

As before, you will need to show membership card(s) when you buy tickets for yourself or another member.

A maximum of two tickets applies.
