

Oh What a Night

What a great time we all had at the Supper Dance at the Rugby Club to celebrate our 25th birthday.

After a decent hot supper we were royally entertained by "Carnaby Street".

From their first number the floor was filled with enthusiastic dancers and singers.

We knew all the words!

Special mention to Nigel for his dancing skills.

If you weren't there you missed a really good night.

Thanks to all the organisers.

Roll on the 30th.

No, let's make it an annual event!
