

Member Involvement in Activity Groups

As mentioned in this months newsletter the number of our Activity Groups is dwindling. These groups are our lifeblood and we don't want to lose any more if we can help it, in fact we want to develop new groups, so we are asking our members to fill out this short questionnaire to see which groups are thriving, which need help and what other groups we should be thinking of setting up.

Name _____ Phone _____

Email _____

Willing to car share to help members who don't drive. Yes _____ No _____
