

LONDON REGION TREASURERS NETWORK

At the Workshop on Financial Matters that was held in London on 1st March 2019, a number of attendees said they would be interested in a follow-up event, and participating in an informal networking group for U3A Treasurers in the London Region which could offer mutual support by discussing common issues, keeping up-to-date on legal and Trust requirements, solving shared problems, sharing best practice etc.

The London Region of U3As plans to host a follow-up event later in the year and launch a regional network for Treasurers. Although local networks often share resources etc. locally, the regional network would have the advantage of inputs and other support from the London Region Trustee and Committee. Further details to follow.

If you would be interested to participate in such a network, we will need the following basic information from you so that we can keep in touch.

Please note that your personal data will be retained in accordance with our Data Privacy Policy, which can be viewed on the Welcome page of our website (address above).
