## Next Two Strolls Cancelled

I am afraid that I am cancelling the next Stroll on October 29<sup>th</sup> which would have followed the River Crane in Richmond. I have been having intermittent problems with walking and this particular Stroll is around 6 miles and I cannot be sure that I will be able to do it on the day, so I feel it is better to cancel now rather than at the last minute.

The November Stroll following the River Beck is much shorter and would probably be ok. However, it does involve quite a lot of walking on muddy and steep tracks and with the Autumn looking wetter and wetter I feel it would be better for us all to postpone this one until the spring.

That makes our next meeting the Photography Christmas lunch which we will try and arrange for the last Tuesday in January - 28<sup>th</sup>. We will confirm that as soon as possible.

We might try and arrange a winter/Christmas lights "pop up Stroll near to Christmas so keep you eyes open for late information.

Our Strolls for next year should start at the end of March and details will follow in due course. I am wondering if it would be sensible for either another member to come on the recce, so we have a backup plan or alternatively to take on organising a Stroll. If you think you could help, please get in touch.

## Tuesday Photography Group

Pauline and I have been really pleased with the response from members of the group in relation to next terms Programme. So, thank you all for your contribution and for your helpful comments on suggestions made by other members. Pauline myself and a couple of other members of the group will be getting together towards the end of the week to discuss the suggestions and to formulate the Programme. If you do want to add anything, please contact Pauline and I in the next couple of days.

The picture subject for November is anything botanical so if anyone still has not taken their pictures my advice is get moving before the weather really closes in.

## Camera World Live

Stuart has sent me details of Camera World Live which is next weekend it is quite near to Liverpool Station. There is a code which you can enter to see if you can get free tickets it is : CWVIPC

**LONDON'S BIGGEST CAMERA SHOW!**  
Free Online Code - CWVIPC

**cameraWORLD LIVE**

**LONDON**
