

## The story

Here at the "The Blue Grill" at Thoresby Hall, we pride ourselves on using the very best produce from either quality brands or local farms - giving us beef that's among the best in the country. Our Wagyu steak - prized for its flavour in its native Japan - is locally reared and provides a unique taste experience that everyone should enjoy at least once. Alternatively, you can savour our local beef from a west Yorkshire farm that boasts 200 years of family-run ownership and experience.
