

AFTERNOON TEA AT GREENLANDS

This event went very well according to some of the comments we received via our email:

What a treat we had, a delicious tea, the staff were fantastic, even the weather was good. Best of all, after these long and often dreary months we were able to socialise.

On the 26th August almost 90 u3a members enjoyed meeting face to face to chat at Greenlands, in beautiful surroundings, for an excellent tea of finger sandwiches, scones with jam and clotted cream and a selection of cakes. A stroll to the river at the bottom of the grounds past mature specimen trees and a badger set concluded a very pleasant afternoon.

How lovely the tea was yesterday and everyone that I have spoken to enjoyed it immensely. Many thanks to you all and especially Jackie and her husband who shared their special day with us.

The afternoon of Thursday 26th August was our first proper social gathering after what has been an incredibly tough time for us all over the last 18 months. Needless to say, there was much catching up to do & the atmosphere was buzzing! The icing on the cake was a delicious tea time treat in a beautiful riverside location.

Many thanks Jackie for organising the delicious afternoon tea in the beautiful surroundings of Greenlands, as I know it was not easy for you at times. It was lovely to meet up with so many of our U3A members again after almost 18 months of Covid restrictions.
