Dear Mr. Doyle,

On behalf of everyone at Galloway's please accept our sincere appreciation of the very generous donation of £194.52 made following the talk given by Nicola Smith at your U3A meeting. It is due to your support that we can make a difference to the lives of people living with sight loss in Lancashire and Sefton.

The difference the donation makes is life-changing for local people living with sight loss. We know that being diagnosed with sight loss and learning to live with the challenges that it can bring is a scary time. Your donation means we can be there when people need us the most, ensuring no one goes through their sight loss journey alone.

Our fundraisers continue to work extremely hard to help raise the much needed funds to support the delivery of our services and your donation will certainly help towards this.

Thank you again for your support, it really does make a difference.

Kindest regards

Rachel Smith
