

Mayfield and District Newsletter October 2022

You are probably thinking, “We have only just had the September newsletter.” It is true that this one is hot on its heels! I think it is better to publish before the monthly meeting rather than after and so this issue will not contain a review of the latest speaker.

You may have been in the queue waiting for your flu injection when someone offered you a U3A leaflet. I thought it was an ideal opportunity to recruit new members and my thanks to Carol Bossom and Sue Hanley who distributed the publicity.

My thanks also to Madelyn Meredith who has offered to help with the newsletter. We always welcome any help however large or small as we are a small committee trying to fulfil many roles.

Do you recognise this sculpture? What is it called? Where is it?

News from the Groups

Are you interested in History, Poetry or French conversation?

These groups are looking for new members.

Due to demand we plan to launch Book Club Chapter 3. If you want to be in at the beginning and help to shape it and have a say when it should meet contact Anna.
