

Data Privacy Notice - Covid-19 Special Notice

This is a special Data Privacy Notice explaining the need for us to pass on contact information at the request of the NHS Track and Trace Service during the current Covid-19 national emergency. Where required we will also share your contact information with our venue providers e.g. the Melton Mowbray Baptist Church, subject to them having a legitimate and secure process for the temporary storage of this information.

This information will only be used to contact you in the event that you may have come into contact with a suspected case of COVID-19 and it may be necessary to share your details with NHS Test and Trace when they are requested for contact tracing and the investigation of local outbreaks.

When shared with the Baptist Church or any other legitimate organisation your name and contact details will be temporarily and securely stored. They will be retained for a period of 21 days in line with government guidance and then disposed of within the following 7 days.

Data Protection legislation allows us/them to process this information. The Information Commissioner's Office has published guidance on data handling during the pandemic. Please see www.ico.org.uk/coronavirus for details.
