Philosophy Interest Group

1st March 2023

Meeting at 2.15 p.m., at the Snug of the McBoyle Hall,
Portknockie

- You have been sent this notice because you are a member of the Moray Coast u3a. New members of the Philosophy Interest Group are always welcome.
- In this meeting we will be considering the complex issue of,
"Euthanasia".
- At the December 2022 meeting of the group it was decided that we should purchase the following book: - **PHILOSOPHY** the basics, by Nigel Warburton.
(Fourth Edition, published by Routledge, ISBN 978-0-415-32773-2)
- The book is not expensive and easily available online.
- Euthanasia is covered in pages 57 – 59. This is scant coverage for such a complex topic. Please feel free to do your own research online. Alternatively, if you have thoughts formed from your own life experiences please bring them to the meeting and share them with us.
- Many books have been published about euthanasia but many seem to promote only one side of the argument.
- There will be discussions.
- Do not expect a definitive answer but expect to have the chance to consider an important issue for a civilised society thoroughly explored.

I look forward to seeing you on the 1st of March.

Yours with best wishes *John R Mills*
